

Sprinter M2CA144E Chassis Specifications

Standard:

AR2	Axle ratio 3.92 (diesel)	KP0	Body work SCR
BB3	Electronic Stability Program ESP	L65	Interior lights, load/passenger compartment
C38	Rear spring for 3.88-t weight version	L94	Parking lights deletion
C42	Stabilizer, rear axle, under frame	LB5	3rd brake light
C45	Stabilizer reinforced at front axle	M46	Alternator 14 V/220 A
C47	Shock absorbers reinforced	MG5	Engine 3.0 Turbo Diesel Bluetec
CF2	Chassis for application A	MH1	Emissions-Diesel
CL1	Adjustable Steering Wheel	P47	Front mudflaps
D93	Omission bulkhead	P48	Rear mudflaps
E07	Start-off assist	Q67	Tow hook rear
E30	Battery Main Switch Single Pole	R65	Spare wheel bracket below frame
ED8	Preinstallations electrical system	R87	Spare wheel
EE8	Battery 12V 100Ah	RF1	Continental tires
EK1	Body builder connector under driver seat	RH8	Tires LT 245/75 R16
EL8	Two-way speakers, front	RM0	All-season tires
ES0	Jump start terminal	RM9	Specially requested tires
F61	Interior Mirror	RS3	6.5 J x 16 steel wheels
FF5	Shelf above windshield	RY2	Tire pressure monitoring lamp
FI1	Remote fob - 315 MHz	S04	Adjustable front passenger seat
F13	Tire pressure monitoring	S22	Armrest for driver's seat
G40	Automatic Transmission - 5 speed	S25	Armrest for co-driver's seat
H20	Windshield tinted	SA5	Airbag, driver
HH2	Heater - auxiliary elect hot air	SA6	Airbag, passenger
HH9	Air conditioning front	T09	Sliding door extended track
J11	Speedometer, km/miles	T16	Sliding door right
J58	Seat belt reminder for driver	V43	Passenger Van Floor
J65	Outside temperature display	V85	Ashtrays, front
K60	Exhaust straight to rear	W54	Two 270 degree hinged rear doors
KB0	Fuel tank, 26.4 gallons	XL8	GVWR 8,550 lbs.
KL1	Aux fuel sending unit w/fuel tap	Y43	Jack hydraulic
KL5	Fuel filter with water separator	VH5	Upholstery Lima Black

Options:

PA1	Premium Package	D03	High roof
F68	Heated and electrically adjustable exterior mirrors	ER0	Pre-installation for radio
MS1	Cruise control	L05	Daytime Running Lamps
SB1	Comfort driver's seat	L63	Ceiling lamp in loading compartment
SB2	Comfort passenger's seat	N63	Bracket for Aux A/C Compressor
PF2	Window Fleet Package	SZ7	Storage net, driver seat backrest
H22	Defroster - rear window	SZ8	Storage net, passenger seat backrest
VA7	Stowage compartment with net in rear doors	FK3	Chrome trimmed radiator grille
W02	Panel van w/windows all round	W70	Black tinted windows in rear
W16	Fixed window at front left sidewall in left side sliding load compt door	PS1	Heavy Duty Suspension I
W17	Fixed window at front right sidewall in right side sliding load compt door	C42	Stabilizer, rear axle, under frame
W22	Fixed window, center left	C45	Stabilizer reinforced at front axle
W23	Fixed window, center right	CF4	Chassis for application C
W27	Fixed window, rear left	PY1	Additional Battery Package
W28	Fixed window, rear right	E28	Additional battery for retrofit
W61	Windows in tailgate/rear doors	E36	Cutoff relay for additional battery

Sprinter M2CA170E Chassis Specifications

Standard:

AR2	Axle ratio 3.92 (diesel)	KP0	Body work SCR
BB3	Electronic Stability Program ESP	L65	Interior lights, load/passenger compartment

H20	Windshield tinted	S25	Armrest for co-driver's seat
HH2	Heater - auxiliary elect hot air	SA5	Airbag, driver
HH9	Air conditioning front	SA6	Airbag, passenger
J11	Speedometer, km/miles	T09	Sliding door extended track
J58	Seat belt reminder for driver	T16	Sliding door right
J65	Outside temperature display	V43	Passenger Van Floor
K60	Exhaust straight to rear	V85	Ashtrays, front
KB0	Fuel tank, 26.4 gallons	W54	Two 270 degree hinged rear doors
KL1	Aux fuel sending unit w/fuel tap	XL8	GVWR 8,550 lbs.
KL5	Fuel filter with water separator	Y43	Jack hydraulic
		VH5	Upholstery Lima Black

Optional:

PA1	Premium Package	C39	Rear spring, comfort, for 3.88-t
F68	Heated and electrically adjustable exterior mirrors	L05	Daytime Running Lamps
MS1	Cruise control	L63	Ceiling lamp in loading compartment
SB1	Comfort driver's seat	N63	Bracket for Aux A/C Compressor
SB2	Comfort passenger's seat	RL5	Light-allow wheels 6.5 J x 16
		SZ7	Storage net, driver seat backrest
		SZ8	Storage net, passenger seat backrest
PF2	Window Fleet Package	L16	Fog lamps
H22	Defroster - rear window	FK3	Chrome trimmed radiator grille
VA7	Stowage compartment with net in rear doors	W70	Black tinted windows in rear
W02	Panel van w/windows all round	VU9	Leatherette Black
W16	Fixed window at front left sidewall in left side sliding load compt door	PY1	Additional Battery Package
W17	Fixed window at front right sidewall in right side sliding load compt door	E28	Additional battery for retrofit
W22	Fixed window, center left	E36	Cutoff relay for additional battery
W23	Fixed window, center right	PS1	Heavy Duty Suspension I
W27	Fixed window, rear left	C42	Stabilizer, rear axle, under frame
W28	Fixed window, rear right	C45	Stabilizer reinforced at front axle
W61	Windows in tailgate/rear doors	CF4	Chassis for application C

Sprinter M3CA170E Chassis Specifications

Standard:

AR3	Axle ratio 4.18 (diesel)	KP0	Body work SCR
BB3	Electronic Stability Program ESP	L65	Interior lights, load/passenger compartment
C40	Stabilizer, front axle	L94	Parking lights deletion
CL1	Adjustable Steering Wheel	LB5	3rd brake light
